## Join our Virtual Bible Study weekly on Wednesdays at 12:00 pm CST

enJOY is a virtual Bible Study series and one of the three components of Experience ELLE. On a weekly basis, ladies from across the globe are invited to and participate in enJOY by Experience ELLE.

This is a unique way to immerse yourself in God's Word while being a part of a community of women across the globe from the comfort of wherever you find yourself. This is especially convenient in today's fast-paced culture but also helpful for those on the go. While we believe the importance of the power in gathering with other believers in a church body, we are thankful for the flexibility of technology through outlets such as social media. This enables us

to hold a weekly Bible Study that doesn't bind you to a commute or require a specific geographic location.

If you desire your heart to be illuminated by the inspired Word of God, which is a lamp unto our feet and a light unto our path, we invite you to join us. enJOY is held weekly on Wednesdays at 12:00 pm CST. Various broadcast platforms are available for you to join live or play back at your convenience. You are invited to join enJOY through subscribing on our website or requesting to join our private Facebook group *enJOY by Experience ELLE*. This virtual Bible Study series will encompass a time of encouragement through biblical teaching and ministering from the Word, Scripture commentary, biblical insight on specific topics, as well as opportunities for live Zoom interactive sessions.

**These on-location meetings will encompass worship, preaching/teaching from the Bible, and a time of prayer. In our more extensive meetings, Tiffany expounds upon her personal testimony as it relates to education about mental health, suicide awareness + survivorship. The Experience ELLE team will come to your home, business, church or indoor-outdoor venue and usher in an atmosphere where the presence of Jesus is welcome.**

Our mission for the Revival Pop-Up, as expressed in Luke 4:18, is to win souls, bring healing to the broken-hearted and freedom for the oppressed. In our meetings, we have seen the anointing of the Holy Spirit set people free from depression and suicidal thoughts.

The vision for the pop-up is that you will experience Christ in a deeper, more intimate way. Revival is multi-faceted. There are times of revival that start deep within us, often with the experience of being revived by a spiritual awakening. We are believing for a great outpouring; an unprecedented move of God to sweep our world for a supernatural harvest of souls in these last days. We expect that participants will be revived by the Spirit of the Living God and begin experiencing Jesus in a brand new way.

Our prayer is that those in attendance will not have mere head knowledge of Jesus, but gain personal revelation of Christ's love through His anointing. We desire that you will have a heart transformation and a deeper hunger & thirst for more of the Holy Spirit. John 4:14 says, "But if anyone drinks the living water I give them, they will never thirst again and will be forever satisfied! For when you drink the water I give you it becomes a gushing fountain of the Holy Spirit, springing up and flooding you with endless life!" It is our hope that you will have gained a deeper desire for more of Him as you discover, study, and apply the truths of the Word of God.

**“Arise [from spiritual depression to a new life], shine [be radiant with glory and brilliance of the Lord]; for your light has come, and the glory and brilliance of the Lord has risen upon you.”**

*Isaiah 60:1-2*

It is our desire to facilitate a healing regimen for people in need of wholeness and well-being.

If you are interested in fundraising for The Experience ELLE Foundation, we have several options to select from including but not limited to: golf tournaments, walkathons, charity runs, fishing tournaments, luncheons, red carpet galas and fashion shows. # EXPERIENCE ELLE

EXCELLENCE • LOVE • LORD • EFFERVESCENCE

*with Tiffany Lassiegne*

My name is Tiffany Cascio Lassiegne. I have had a relationship with Jesus for as long as I can remember. From my earliest years of remembrance, I was encouraged to live in a place of “revival” by being filled and led by the Holy Spirit. I was taught to apply the Bible, the inspired Word of God, into my daily lifestyle. I would describe myself as an ambassador for Jesus. The Holy Spirit has given me several areas of focus, all of which I am very passionate about because of my personal testimony. Those areas include: intimacy with Jesus (living in the secret place), health and wellness (the body is the temple of Christ), mental health and well-being (depression, suicide prevention, and survivorship), codependency healing (finding God’s plan, purpose, and destiny for one’s life), marriage restoration (Christ-centered marriage encompassing spiritual, emotional and physical intimacy), reconciliation with God and with others, being clothed with the Holy Spirit, and caregiving for family members (God-given compassion and strength to serve others), with a focus on how each of these areas reflect abiding in Christ and having intimacy with Him.

*You were made to experience more.*

**My prayer is that each of you will experience ELLE: The excellence of God the Father’s love, salvation from the Lord Jesus and the effervescence of the Holy Spirit’s presence in your life.**

When Love Himself as a person comes to live on the inside of us, we begin to experience the ministry of reconciliation, which ushers in an abundant life beyond our natural circumstances.

The mission of Experience ELLE is to encourage, nourish, and revive the spirit, soul, and body of people around the world in need of wholeness and well-being through the love of Christ.

Tiffany is a native New Orleanian, born and raised in the South. She and her family have lived in various parts of the country throughout her adult life. Tiffany has a bonus son Blaze, whom she describes as one of her life's greatest blessings. She loves spending time with her son, family, and church community, which Tiffany calls her "framily." Over the past 11 years, they've been caregivers to her grandmother Catherine, the matriarch of the family.

From a young age, Tiffany aspired to be a broadcast journalist. After working in the field for several years and going to undergraduate school for Broadcast Journalism, she quickly realized that the Lord was taking her on a different path. She shifted gears and graduated with her degree in Business Management while working 13 years in Corporate America for an international franchise organization. Tiffany started with the company shortly after its inception, earned her MBA and was promoted through the ranks. Eleven years later, she served as the President of the company, which encompassed 500 franchise locations with 100 corporate employees. During her tenure, she was a franchisee of her own franchise, which was consistently a top performing location within the company. Later, Tiffany felt impressed to resign and care for her family. It was a huge sacrifice to lay her love for Corporate America down, but she knew that Jesus was wooing her to a new life.

Several years after receiving the revelation of loving thy neighbor as thyself, Tiffany allowed the Holy Spirit to teach her self-care while equipping her with the ability to tend to family matters. A few years later, she felt prompt-

ed to enroll in Bible college. She is currently dual enrolled, with plans to graduate this spring, while continuing to work toward her Doctorate Degree. Tiffany dedicates her time to serving her local church and community. She serves as a life group leader and volunteered at Mary's Song, a ladies restoration center affiliated with her local church, for the past six years. Tiffany also conducts staff enrichment Bible studies for a prestigious doctor's office in the Greater New Orleans area. She serves ladies across the world through virtual faith-based meetings, casting vision sessions, wellness forums, and mentorship, which is based on encouraging people to seek Christ in all things.

Tiffany describes feeling a call to share the love of Christ with hurting people. Her heart's desire is to be a yielded vessel for the anointing of Jesus to flow in and through her. She has received such comfort from the Holy Spirit through her personal journey of experiencing mental health challenges with her closest loved ones, many traumas, trials and premature deaths, including suicide. It is only through the love of God and His healing power that Tiffany has been able to persevere through the most difficult circumstances as the Lord continuously redeems these broken places. She desires to help those who are emotionally and physically traumatized, as well as those who are related to the ones suffering from PTSD and mental health disorders.

Tiffany believes that Christ comes alongside us to comfort us in our time of difficulty so that we may in turn come alongside others in their time of need.

As it says in II Corinthians 1:3-4, "Blessed be the God and Father of our Lord Jesus Christ, the Father of sympathy (pity and mercy) and the God [Who is the Source] of every comfort (consolation and encouragement), who comforts (consoles and encourages) us in every trouble (calamity and affliction), so that we may also be able to comfort (console and encourage) those who are in any kind of trouble or distress, with the comfort (consolation and encouragement) with which we ourselves are comforted (consoled and encouraged) by God."

Tiffany has a passion for the broken-hearted and the lost. She understands their need for the Holy Spirit to fill them with the joy of the Lord. Tiffany believes that the only way to be truly filled is to Experience the Excellence of God the Father who is Love, salvation from the Lord Jesus Christ, and the anointing of the Holy Spirit, who brings Effervescence everywhere He flows.

Tiffany enjoys serving her grandmother. This relationship became the catalyst for her caregiving ministry. She also enjoys attending Victory Church of the Greater New Orleans metropolitan area, traveling, fine dining (foodie), business consulting for friends and family, and living a healthy lifestyle through nutritional choices (vegetable juicing) and exercise (lover of pilates and cardio walking, jogging, and bike riding). Tiffany's family has had 3 yorkshire terrier fur babies over the years, which were an endearing part of their lives.

The Holy Spirit has regeneratively revived Tiffany and her family throughout the past two decades. She LOVES Jesus with ALL of her heart. He is the center of her world!!! Tiffany passionately desires the same for you. After all, you were made to experience MORE!
